# How to Play

**1** Connect your phone to the host's WiFi, then download the Sonos app. Now the fun starts.

**2** Each player writes 3 prompts on pieces of paper. Throw the prompts into a hat (or bowl).

**3** Pick 1 player to start off as the MC. Everyone else is a DJ.

**4** The MC pulls a prompt, reads it aloud, and plays some background music while DJs pick a song that best answers the prompt. (The funnier the better.)

**5** DJs pick their song by tapping Play Next to add it to the queue.

**6** The MC plays each DJ's song for about 30 seconds and picks a favorite.

**7** The winner of each round gets 1 point and becomes the next MC.

First to 5 points wins.
